

CLIENT QUESTIONNAIRE FOR 2009

Thank you very much for calling the LAW OFFICES OF GREGORY C. OKWUOSAH, LLC for legal assistance relating to your debt situation. To best assist you, please provide us the most complete and accurate information about your current financial situation. Please fill out this form as completely as possible. Provide us your emergency phone or address contact information. If you have e-mail, also provide us that address to enable us get in touch with you and keep you informed on the progress of your case.

If you don't understand a question, please ask for assistance. List each and every financial obligation you have in the "creditor boxes." Should you need more space, use the back of the form, or make extra copy of the page before you fill it in.

List every creditor to whom you owe debt. This means, for instance, that if you co-signed for your nephew's car loan, the holder of that lien is also your creditor and you must list that creditor. You should list debts even if you think you may have paid them off, or that the creditor may have written them off. Also list debts that you believe that someone else may pay off in the future (e.g. a medical bill that may be covered by insurance). Please provide us the correspondence address, not the billing address, for each creditor.

The Courts have asked us to be very specific about when you last used your credit cards. Therefore, for the spaces provided for information on your credit cards, make sure that you fill in the "last time used" boxes.

Bring any and all copies of your bills with you for your first visit to our offices. Also, bring a copy of your credit report. If you need assistance on where to request your credit report, see the ONLINE RESOURCES page of this website for links to the web addresses of the major credit reporting agencies. We also ask that you bring a paycheck stub or provide payroll information for you and your spouse (if applicable). Even if your spouse is not filing bankruptcy with you, we still need to know about your entire household expenses and income.

One of the most important items of information that you can bring with you relates to whether a debt is "secured" or "unsecured." A "secured" debt is one that is backed by collateral, such as a house, car or even household items. An "unsecured" debt is backed only by your signature. Examples of unsecured debts include credit card bills and medical bills. Please note that many finance companies ask you to list household goods at the time you obtain your loan. This usually means that you may have given the finance company a security interest in your property.

Finally, if you have a house or car, you will need a copy of the insurance declarations page – not just the insurance card.

Once again, thank you for choosing the LAW OFFICES OF GREGORY C. OKWUOSAH, LLC. We will do our best to see to it that your experience with us as our client is a pleasant and productive one. Thank you for allowing us to serve you.
